CANCER SCREENING CLINIC

IS IT TIME FOR A PAP TEST

The Northern Shores Medical Clinic will be offering a cervical cancer screening clinic for women with no family doctor or nurse practitioner.

ELIGIBILITY CRITERIA

- ✓ Are you between 21 to 70 years old?
- ✓ Has it been 3+ years since your last PAP Test ?
- ✓ Do you NOT have a family doctor or nurse practitioner ?

If you've answered YES to those three questions, you can have a free PAP test at the Northern Shores Medical Clinic.

WHY DO I NEED A PAP TEST ?

The PAP test is the best way to detect and treat cervical cancer earlier for better outcomes
